

## Restricted reserves

Some of our reserves have extremely fragile wildlife habitats and access is restricted

Trust members can gain access to these reserves by contacting our offices on 01727 858 901. [Join the Wildlife Trust](#) today.

 [Ashwell Quarry & Quarry Springs](#)  
A disused quarry which supports varied chalk grassland species

 [Hilfield Park Reservoir](#)  
This large expanse of water is a valuable refuge for waterfowl

 [Lemsford Springs](#)  
A fascinating array of habitats: shallow spring-fed lagoons, marsh, willow woodland, hedgerow and meadow.

 [Oughtonhead](#)  
A mature alder/willow woodland with fen vegetation running adjacent to the River Oughton. It is adjacent to Oughtonhead Common Local Nature Reserve.

 [Royston Chalk Pit](#)  
A rare example in Hertfordshire of a natural exposure of rock.
