

Corporate Membership

Make wildlife and the environment your business

Becoming a Corporate Member is a great first step in developing a lasting relationship with Herts and Middlesex Wildlife Trust. Supporting our work provides an opportunity to demonstrate to your staff, partners, customers and the general public that your business is committed to local wildlife, people and the environment.

Our Corporate Members benefit from a unique package of benefits, including an exclusive framed membership certificate presented to you in person for a photo op and press release. Subject to membership level, you will also be featured in our member magazine 'Wildlife Matters', reaching over 22,000 local supporters, as well as our new corporate e-newsletter 'Wildlife at Work' which will be launched this year and received by all our corporate members - a great chance to network among other environmentally-aware businesses.

We operate a tiered scheme allowing you to choose the level of support that you feel best represents your company's size and financial standing in the community. All levels of support make a positive contribution to the work of Herts and Middlesex Wildlife Trust.
