

Charity of the Year

Your chance to work with HMWT as your company's 'chosen charity' and directly invest in the future of your local wildlife and wild places

There are many great ways your business can support our conservation work, from becoming a [Corporate Member](#) to [supporting a local project](#). You can also show your commitment to improving the local environment by working with HMWT as your 'chosen charity', whether it be for a week, month or even a whole year. Your support can be as big or small as you want it to be: from a collection box at reception or in your staff room, to employees participating in a [Corporate Work Party](#) or one of our [fundraising campaigns](#) such as ['Wear your Wellies for Wildlife'](#).

Please download your free [Community Fundraising Guide](#) for more information on how you and your company can get involved with our work, and have lots of fun on the way!

For more information on [Corporate Partnerships](#) with HMWT and learn about how we can work together to benefit the local community and the environment please contact our Fundraising Officer, Sarah Mee, on 01727 858 901 ext 242 or email sarah.mee@hmwt.org
