

Corporate Work Party

Your opportunity to make a difference to local wildlife...get out of the office and into the dirt!

Corporate volunteering with Herts and Middlesex Wildlife Trust (HMWT) is a fantastic way to contribute to your local wildlife. The activity can be part of an ongoing partnership with the Trust, or as a one-off event, with either experience giving your team an enjoyable and rewarding day in an inspiring setting.

Whether you are in a team of five or 20, our corporate work parties give you and your staff the opportunity to experience some of the different conservation projects - 'A day in the life of... a Reserves Officer'.

Our work parties are available throughout the autumn and winter months after the wildlife breeding and plant growth season has come to an end. Some estate management work may be available 'out of season' subject to location and group size, and so we will try our best to accommodate your request if a suitable project is available.

We ask for a donation of £50 (+VAT) per head for non-Corporate Members and a reduced rate of £40 (+VAT) per head for our members, which helps towards the cost of materials and equipment, as well as on-site support for your project from one of our lovely HMWT Reserves Officers.

Take a look at our [Work Party Schedule for 2011](#) and download our [Fact Sheet](#) for more information. We are now taking bookings for the Autumn so [book yours today](#) before they all go!

If you would like to join HMWT or renew your Corporate Membership please download our [Corporate Membership Booklet](#) or to redirect to our Membership page please [click here](#).
