

Schools

Inspire your pupils to get close to nature and respect their natural environment

Herts and Middlesex Wildlife Trust (HMWT) would be delighted to hear from any local school who is interested in learning more about their natural surroundings and supporting the Trust further.

We have a commitment to the education of our local community, as well as to wildlife conservation, and would welcome the opportunity to work with young people as well as adults. We can provide them with the experience and help that they might need to continue and develop their interest in local wildlife.

Local schools can get involved with the Trust by joining as a [School Watch Member](#) or making us their 'Chosen Charity', or even by taking part in one of our fundraising campaigns. See how you can [get involved](#).

[▶ Become a Schools Member](#)

Tap into high quality resources that can help your school utilise the outdoor classroom, plan wildlife and environmental activities for your pupils, develop their observational skills and inspire their interest in the countryside

[▶ Fundraising In Schools](#)

Fundraising by individuals, schools, businesses and community groups contribute much-needed funding to Herts and Middlesex Wildlife Trust
