

## Donate Online

A gift from you will help HMWT manage our network of 44 nature reserves across Hertfordshire and Middlesex, protecting local wildlife for the future

As a local charity we rely solely on the support of our members and those kind enough to donate to HMWT, without which we would not be able to continue our work protecting wildlife for the future.

Conservation costs money.

We have an ambitious schedule of conservation work planned this year - and we need your help to acheive it.

**A gift of just £30 could buy a Shetland sheep to join our herd of conservation grazers, and help manage and protect Hertfordshire's wildflower meadows.**

You can also support our work by [becoming a member](#) of Herts & Middlesex Wildlife Trust.

Thank you for your support.
