

Joint Membership

Membership for two adults living at the same address - minimum £39 a year

We need your support to continue our work in conserving, protecting and enhancing local wildlife and wild spaces for you and future generations.

By joining the Trust with a Joint Membership you and your partner will help us to care for over 40 nature reserves which are open for you to discover the natural treasures of Hertfordshire and Middlesex.

As part of your membership you will receive a pack of information about wildlife in the two counties. You will receive regular news from us, keeping you up to date with our work and with the state of local wildlife.

As well as a nature reserves guide you will receive Wildlife Matters magazine four times a year and our Go Wild events guide.
