N.B. Some tasks may require additional material costs which we would request a contribution towards in order to take the booking. These will be discussed with you upon booking.

There are a number of **sponsorship opportunities** within our nature reserves and conservation projects which might also be of interest. These range from funding nest boxes or on-site interpretation panels, buying new tools and equipment or even sponsoring new Trust vehicles for our Reserves Team.

Please contact sarah.rutherford@hmwt.org or telephone **01727 858 901 ext. 242** to discuss this further.
