

ROLE PROFILE

ROLE TITLE:	Danemead Weekend Work Party Volunteer
RESPONSIBLE TO:	Nature Reserve Warden
RESPONSIBLE FOR:	To provide practical assistance to the reserve Warden with the conservation of Danemead nature reserve.
WORK AREA:	Danemead Nature Reserve, near Hoddesdon

ANTICIPATED TIME CONTRIBUTION:

Work parties take place on the last Sunday of every month (September – March)
Meet on site 10am. Finish on site 1pm on average.

Responsibilities

- To assist the Warden on a task, on a weekend day usually recurring monthly
- This task is supervised by the Nature Reserve Warden with advice and encouragement where appropriate.
- To undertake conservation work such as woodland and grassland habitat management and construction and installation of fences, gates and stiles
- To use hand and power tools and other machinery that the individual has received training in
- To be aware of health and safety regulations while working with the Trust
- To assist the Warden in tool and vehicle maintenance

Existing skills or experience needed

- An interest in wildlife conservation
- Confidence to use hand or power tools and go through the training required to use them
- Reasonable fitness
- An up to date tetanus jab

Skills development and support offered

- Personal protective equipment provided for long-term, committed HMWT volunteers
