

How to help birds avoid windows

You will need:

- card

- black marker pen

- scissors

- thread or fishing line

- suction cup, blu-tack or duct tape

You can find these on most shower puffs.

- 1 Sketch a large bird shape on your card, and colour it in with your black pen. Cut it out.

- 2 Make a small hole in the top of the bird and tie it onto a short thread.

- 3 Hang the bird outside a window to break up reflections on the glass. It will also move in the wind.

Some shapes to try:

Attach with a suction cup, blu-tack or duct tape.
