# Make a butterfly painting

You will need

- Water-based paints

- Brushes

- Pastel coloured sugar paper

- Marker pen

- Plenty of newspaper (to cover tables!)

① Fold a piece of sugar paper in half, side to side, and open it out.

② Paint the shape of butterfly wings on one half. Fold the paper over again and press it down.

③ Open out the paper and add more colours to one side. Refold and press.

④ When the butterfly wings are dry, add a body and antennae with a marker pen.
